

Bawnmore Community Infant School and Cygnets Pre-School Newsletter

26th September 2025

Head of School's Letter

A Huge Thank You to Our Fabulous FOB Committee

As we begin a new school year, we want to say a heartfelt thank you to our outgoing Friends of Bawnmore (FOB) committee- Abbie, Ebonie, Laura, Charlotte and Liz. They have worked tirelessly to bring brilliant events, community spirit, and incredible fundraising to our school. From Family Fun Days and Discos to Christmas and Summer Fairs, their energy and creativity have helped raise huge amounts of money that have funded soft play equipment, classroom refurbishments, our amazing outdoor play areas, class treats, and so much more. You've made a lasting difference, and we're so grateful!

Welcome to the New Dream Team!

We're thrilled to welcome our new committee: Chair – Emma, Vice Chair – Emma, Secretary – Emma (yes, really!), and Treasurer – Claire. We're really looking forward to working with them, although I may get the Emmas confused! The recent FOB AGM had a fantastic turnout, and it's clear that the enthusiasm for supporting our school is stronger than ever. We're looking forward to another brilliant year of events, laughter, and fundraising magic. Watch this space!

Next Week

I look forward to seeing some of you at our annual Macmillan Coffee Morning on Wednesday 9-10.30am. Please do come along. Everyone welcome and cake donations gratefully received!

Warm regards,
Pam Davey
Head of School

Parking with Care – A Shared Responsibility

We kindly ask all parents and carers to be extra mindful when parking near the school. This week, we had a worrying incident where a child was almost hit by a car mounting the pavement. Please **do not park on the yellow lines or zig-zags**—these areas are there to protect our children and keep visibility clear. We know mornings can be hectic, but a few extra steps on foot are a small price to pay for safety. Thank you for helping us keep everyone safe.

Library Volunteers

Children in Reception will begin bringing home library books in the coming weeks. Do you have an hour a week to spare to help children choose their books? Full instructions will be provided! Please speak to Mrs Davey or your child's class teacher if you're able to help.

FOB

Friends of Bawnmore - Parent Teacher Association

A huge thank you to everyone who came along to the AGM this week, it was wonderful to have some new faces! We're delighted that FOB will be continuing this year and excited to introduce your brand-new committee:

- Chair – Emma Grey
- Vice Chair – Emma Burnham
- Secretary – Emma Boardman
- Treasurer – Claire Cox (living proof other names *are* accepted!)

We're excited to get started on another year of fun events, fundraising, and community spirit! If you would also like to get involved, you can join our **FOB WhatsApp group** using the link or QR code. If you want to get in touch you can also email us at bawnmorefriends@gmail.com.

Friends of Bawnmore
WhatsApp group

Macmillan Coffee Morning – Wednesday 9-10:30am

Why not swap the morning rush for a slice of **cake, coffee** and a **chat**? Our Macmillan Coffee Morning is the perfect excuse to grab a cuppa, meet other parents and carers, and even have an informal chat with Mrs Colston (SENDCo) and Mrs Davey (Head of School).

- Younger siblings? No problem – we'll have toys available to keep them entertained.
- Cake bakers and drink pourers – we'd *love* your help.

Bring a friend or neighbour – all are welcome!

Pre-Loved Uniform

As well as cake, you'll find **great quality pre-loved uniforms**. It's a win-win: planet-friendly *and* purse-friendly, with all proceeds supporting our school.

Bag2School – November

As you dig out the jumpers and swap summer clothes for winter woollies, pop any unwanted textiles aside for our **Bag2School** collection. We'll send bags home before half term and every kilo collected raises money for school projects while also helping extend the life of clothes worldwide.

Whether you can give a little time, bake a cake, or simply come along for a coffee, your support makes a *huge* difference.

Celebrations

Assembly Award

Congratulations to 1R who have been chosen as our Assembly Champions this week.

Lunchtime Award

Congratulations to 1R who have been chosen as our Lunchtime Winners this week.

Attendance Award

Congratulations to RD who have been chosen as our Attendance Champions this week with 97.4% attendance. Congratulations! Our whole school attendance was 95.2%. Thank you to all parents and carers for supporting their children to make this happen.

FAQ's

If you have a question you'd like answering, please do email the office. If we think it's something everyone needs to know, we'll pop it in here. If it's specific to you and your family, we'll reply directly.

Can I park on site?

We understand that convenience is important, especially during busy mornings and afternoons. However, due to our narrow driveway and busy car park—used by many pedestrians—we kindly ask that parents and carers do not drive onto the school site before school unless you hold a Blue Badge and have made prior arrangements with the school office. For safety reasons, only staff vehicles are permitted on site in the mornings.

If you are collecting from Puffin Club after 4.30pm, you may use the front car park. Please note that the rear staff car park is for staff use only—we simply don't have the space to accommodate additional vehicles, and the access road is too narrow to safely manage more traffic.

What are the timings of the school day?

We love starting the day with a smile and a calm, settled atmosphere. Classroom doors open from 8.45am to 8.55am, giving children time to come in, hang up their things, and get ready for the day ahead. If your child arrives after 8.55am, they'll be marked as late- so we really appreciate your help in getting them here on time. The school day finishes at 3.10pm. If you need a bit of flexibility with drop-off or pick-up times, our Wrap Around Care is available- just contact the school office to book a place. If children aren't collected on time, they'll be taken to the club and a fee will apply.

Are dogs allowed on site?

We love our furry friends, but for everyone's safety and comfort, dogs are not permitted on the school site. Guide dogs are of course welcome.

When should I collect my child from Puffins Wrap Around Care?

Anytime between 3.20pm and 5.45pm works perfectly! You don't need to wait until the time you booked, if you're ready early, feel free to swoop in and scoop up your little Puffin. We'll make sure they're happy, busy, and well looked after until you arrive!

Wonderful Work

Extra Curricular Opportunities

Some opportunities are free to all children, where an activity is normally parent/carer funded, if your child receives Pupil Premium funding they may be able to access a paid for club free of charge. Please speak to the admin team if you would like to know more. A child's place at any extra-curricular activity may be withdrawn if they are unable to consistently follow our school rules– this is to ensure that the clubs are fun, safe places for our children and staff.

Day	Activity	Led By	Timings	Year Groups	Availability
Monday	Musical Theatre	Funstar Dance	3.10pm-4.10pm	Reception, Years One and Two	Spaces

If you are unable to make any of the above dates, then please feel free to contact the school office to make an alternative appointment.

office@biltonjuniorschool.co.uk

We look forward to meeting you.

LEAVE OF ABSENCE DURING TERM TIME

INFORMATION FOR PARENTS

The Supreme Court has clarified the law on unauthorised leave, including holidays, during term time (Platt v Isle of Wright 2017). The Supreme Court has made clear that attending school 'regularly' means that the children must attend school on every day that they are required to do so. As such, the parents of any child who is absent from school without authorisation for any length of time are likely to be considered as committing an offence under s444 of the Education Act 1996.

The law states a leave of absence may only be granted by a school if an application is made in advance and if it considers there are exceptional circumstances relating to the application.

Schools must judge each application individually considering the specific facts and circumstances and relevant background context behind each request.

A leave of absence is granted entirely at the school's discretion. Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance.

Where a leave of absence is granted, the school will determine the number of days a pupil can be absent from school.

When making an application for Leave of Absence parents are advised to give sufficient information and time to allow the Head teacher the opportunity to consider all the exceptional circumstances and to notify parents of their decision. The school may also request further information on the application and supporting documentation where appropriate.

It is advised that if the resident parent has not received notification or a response regarding the leave of absence application, it is the parents' responsibility to ascertain if the leave is authorised prior to the start of the leave.

The school can only consider Leave of Absence requests which are made by the 'resident' parent ie the parent with whom the child normally resides.

Where applications for leave of absence are made in advance and refused, the child is expected to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an unauthorised absence. Where a leave of absence is requested, but additional days taken either prior to or after the request may be considered as part of the leave of absence.

Leave of Absences which are not made in advance cannot be authorised in line with legislation. This will result in the absence being recorded as 'unauthorised'.

All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service, part of Warwickshire County Council. Penalty Notices are issued in accordance with Warwickshire County Council's Code of Conduct for Penalty Notices and in the first instance, as an alternative to prosecution proceedings.

Leave of Absence taken in the academic year 2025-26

The law relating to Penalty Notices changed with effect from 19 August 2024. Therefore, Penalty Notices issued for Leave of Absence taken from September 2024 will be issued in accordance with the updated legislation.

Penalty Notices are issued to each parent of each absent child, (for example 2 children and 2 parents, means each parent will receive 2 invoices – 4 in total).

First Leave of Absence offence: The Penalty Notice amount of £160 to be paid within 28 days, this is reduced to £80 each child if paid within 21 days.

What Parents & Educators Need to Know about YOUTUBE KIDS

WHAT ARE THE RISKS?

As its name suggests, YouTube Kids is a child-friendly version of Google's online video-sharing platform. Its colourful user interface is designed with young people in mind, and it offers a curated, family-friendly experience with features like age-based content settings and parental controls.

INAPPROPRIATE CONTENT BYPASSING FILTERS

YouTube Kids is less likely to show inappropriate material than YouTube, but there have been reports of the app showing age-inappropriate content to young viewers. One investigation found that YouTube Kids had shown videos that promote skin bleaching, weight loss, drug culture and firearms to children as young as two, as inappropriate content had bypassed the platform's algorithms and human moderators.

BE WARY OF ADVERTISING

Like Google's regular YouTube app, YouTube Kids features pervasive advertising before a video plays. While these adverts are designed to be family friendly and are subject to a strict review process, it's worth noting that YouTube Kids collects information around children's viewing to inform targeted content and advertisements.

DESIGNED TO BE ADDICTIVE

YouTube Kids is designed to be addictive. The platform's design features, such as the constant stream of new videos and the reward system of points or virtual stickers, can be very engaging and make it difficult for children to switch off. Research has shown that spending too much time using digital services such as YouTube can lead to screen addiction, affecting children's daily routines, studies, and even their social lives.

SETTINGS CAN BE CIRCUMVENTED

YouTube Kids offers built-in parental controls, enabling you to set screen time limits and curate the content children are able to view; however, children are often more tech-savvy than we think. They can easily bypass or tweak these settings if they have access to the associated Google account password, thereby exposing themselves to age-inappropriate and potentially dangerous content.

AI-GENERATED MISINFORMATION

There is also a risk of children accessing videos that contain disinformation and misinformation. A BBC investigation found that some YouTube channels are using artificial intelligence (AI) technology to create misleading "scientific" videos that are recommended to children as educational content. These videos included conspiracy theories and ideas that lack scientific backing.

DATA COLLECTION RISK

While there are limits on the data that YouTube can collect on children under 13, children can still inadvertently give away sensitive information when using YouTube Kids. The platform collects data on children's viewing habits, content searches and location, which YouTube and third-party advertisers can use.

Advice for Parents & Educators

PARENTAL CONTROLS

YouTube Kids offers several settings that allow you to manage what content children can view. For example, you can choose what level of content you want them to access, such as "Preschool" or "Younger". You can also turn off the search function, so that only those videos approved by the YouTube Kids team themselves will appear on a child's recommendations list.

SET TIME LIMITS

The built-in parental controls let you keep a tab on how long children spend watching videos. You can set a timer that limits screen time and disables the YouTube Kids app once a specified length of time has been reached. It's also worth speaking to children about the dangers of spending too much time on YouTube, to ensure they remain focused on other, more important activities.

CHECK WATCH HISTORY

YouTube Kids has made it easy for you to keep an eye on what the children in your care have been watching on the app. By clicking on the "Recommended" icon at the top right of the home screen, you can see which videos they've been viewing, and how much of each. If a child watches YouTube Kids while signed into a Google account, you can check their history through Google's "My Activity" page.

WATCH TOGETHER

It's important that you try to make YouTube Kids a fun and positive experience for children. One way to do this is by introducing watching sessions, where you all gather around and share the most enjoyable videos that you have recently watched. This can be a great way of giving you both new things to talk about and of keeping an eye on what they're watching.

Little Lions Baby and Toddler Group

We are pleased to let you know that St Mark's Church will be launching a new baby and toddler group, 'Little Lions'.

Starting on 7th October, the Little Lions group will meet on Tuesday mornings during school term time from 9.45am to 11.15am in St Mark's Church. There will be a café for parents/grandparents/carers with good tea and coffee, fruit and biscuits or pastries, and the children will also have a drink and a healthy snack. There will be quiet spaces for babies, and a play area with toys for toddlers. The last part of the session will include a Bible story for the children, a 'thought for the day' and singing together. The cost will be £1 per family (up to 2 children and an extra 50p for each additional child).
