Head of School's Letter

Macmillan Coffee Morning

A huge thank you to everyone who came along to our Macmillan Coffee Morning and to those who donated cakes-it was lovely to see so many of you! Your generosity is greatly appreciated. Together, we raised £62.20 for Macmillan Cancer Support.

Next Week

We warmly invite all parents and carers to join us for our Harvest Assembly, led by St Mark's, on Friday 10th October at 9:05am in the school hall. It's a lovely opportunity to come together and celebrate the season.

As part of our Harvest celebration, we are collecting donations for the local food bank. If you're able to contribute, non-perishable items such as tins, pasta, rice, and cereals would be gratefully received. See shopping lists further on in the newsletter for ideas of what's most needed. Thank you for your support!

Thank you

As we move through the term, I want to thank you all for your continued support- it really does make a difference. I'm incredibly proud of our wonderful pupils, who continue to impress us with their enthusiasm, kindness, and curiosity. A special mention to our Reception and Pre-school children, who have settled in beautifully and are already such a joyful part of our school community. Huge thanks also to our dedicated staff for their care and commitment.

Wishing you all a restful and happy weekend!

Parking with Care – A Shared Responsibility

We kindly ask all parents and carers to be extra mindful when parking near the school. This week, we had a worrying incident where a child was almost hit by a car mounting the pavement. Please **do not park on the yellow lines or zig-zags**—these areas are there to protect our children and keep visibility clear. We know mornings can be hectic, but a few extra steps on foot are a small price to pay for safety. Thank you for helping us keep everyone safe.

Library Volunteers

Children in Reception will begin bringing home library books in the coming weeks. Do you have an hour a week to spare to help children choose their books? Full instructions will be provided! Please speak to Mrs Davey or your child's class teacher if you're able to help.

🙏 Thank You - Macmillan Coffee Morning

A huge thank you to everyone who donated, volunteered, made purchases, and **most importantly** joined us for a catch up, conversation, cuppa and cake!

Together we raised **£30** - every bit makes a difference, and it is always lovely to support such a worthy cause. ❤️

📦 Bag2School Collection - Tuesday 25th November

Pop the **date in your calendar** I'll wait while you do! (If you're anything like me, if it doesn't go in straight away, it's either forgotten... or turns into a last-minute panic - often both!) #OrganisedChaos

This is a free, eco-friendly fundraising scheme that helps raise funds for the school while promoting textile recycling. We receive **30p for every 1kg collected**. Last year, thanks to your generosity, we raised **£70**. Let's see if we can beat it this year! ✨

💡 A Little Time, A Big Difference.

As you read through the newsletter each week and see the events planned, we'd love everyone to consider if you might be able to give just **1 hour of your time** to help at any one event across the year - just to see what it's like, you never know you might be surprised. After all, many hands make light work, and while fundraising is incredibly valuable to the school, it's really our community that makes Bawnmore particularly special and the events genuinely enjoyable!

FAQ's

If you have a question you'd like answering, please do email the office. If we think it's something everyone needs to know, we'll pop it in here. If it's specific to you and your family, we'll reply directly.

Can I park on site?

We understand that convenience is important, especially during busy mornings and afternoons. However, due to our narrow driveway and busy car park—used by many pedestrians—we kindly ask that parents and carers do not drive onto the school site before school unless you hold a Blue Badge and have made prior arrangements with the school office. For safety reasons, only staff vehicles are permitted on site in the mornings.

If you are collecting from Puffin Club after 4.30pm, you may use the front car park. Please note that the rear staff car park is for staff use only—we simply don't have the space to accommodate additional vehicles, and the access road is too narrow to safely manage more traffic.

What are the timings of the school day?

We love starting the day with a smile and a calm, settled atmosphere. Classroom doors open from 8.45am to 8.55am, giving children time to come in, hang up their things, and get ready for the day ahead. If your child arrives after 8.55am, they'll be marked as late- so we really appreciate your help in getting them here on time. The school day finishes at 3.10pm. If you need a bit of flexibility with drop-off or pick-up times, our Wrap Around Care is available- just contact the school office to book a place. If children aren't collected on time, they'll be taken to the club and a fee will apply.

Are dogs allowed on site?

We love our furry friends, but for everyone's safety and comfort, dogs are not permitted on the school site. Guide dogs are of course welcome.

When should I collect my child from Puffins Wrap Around Care?

You're welcome to collect your child from Puffins Wrap Around Care anytime between 3:20pm and 5:45pm- whatever works best for you! You don't need to wait until your booked time; if you're ready early, feel free to swoop in and scoop up your little Puffin.

However, please make sure you collect by the time you've booked until, as our staffing is based on those timings. Rest assured, your child will be happy, busy, and well looked after until you arrive!

Wonderful Work

Extra Curricular Opportunities

Some opportunities are free to all children, where an activity is normally parent/carer funded, if your child receives Pupil Premium funding they may be able to access a paid for club free of charge. Please speak to the admin team if you would like to know more. A child's place at any extra-curricular activity may be withdrawn if they are unable to consistently follow our school rules– this is to ensure that the clubs are fun, safe places for our children and staff.

This is not a performance but you are very welcome to join us at 9.05am if you wish to. Each year we collect food donations for the Foodbank. Sharing Culture, Faith, and Worldviews

As part of our RE and PSHE curriculum, it's really valuable for children to hear about how different families celebrate their culture, faith, or worldview. For example, perhaps someone in your family was born in another country or celebrates a festival in a special way.

If you would be willing to come and talk to a class, or even speak in assembly, we would be so grateful! Please speak to Mrs Towers, Mrs Davey, or any of the teachers, or email the office and we'll pass your message on. We'll support you with anything you need to feel confident doing this.

Library Volunteers

Children in Years 1 and 2 will begin bringing home library books in the coming weeks. Do you have an hour a week to spare to help children choose their books? Full instructions will be provided! We now have helpers for Year One (although more would be welcome) however we are still in need of volunteers for Year 2. Please speak to Mrs Davey or your child's class teacher if you're able to help.

DIY Volunteers

Many of you will know the wonderful Mr May, our incredibly talented caretaker. Whether it's building sheds, fixing furniture, or transforming spaces around school, Mr May can turn his hand to just about anything! He's a real gem—but with so many exciting projects on the go, he could really use a bit of help.

We're looking for volunteers who might be able to spare a couple of hours to help with some practical tasks. We've got **flat-packed goals to assemble, balance bikes to get ready, and even preparing the ground for, and building a couple of sheds!** If you're handy (or just willing to give it a go), we'd be so grateful for your support.

If you think you could help with just one of these jobs, please speak to **Mr May, Mrs Davey**, or a member of the **admin team**. Your time and skills would make a real difference—and we'd love to have you involved!

LEAVE OF ABSENCE DURING TERM TIME INFORMATION FOR PARENTS

The Supreme Court has clarified the law on unauthorised leave, including holidays, during term time (Platt v Isle of Wight 2017). The Supreme Court has made clear that attending school 'regularly' means that the children must attend school on every day that they are required to do so. As such, the parents of any child who is absent from school without authorisation for any length of time are likely to be considered as committing an offence under s444 of the Education Act 1996.

The law states a leave of absence may only be granted by a school if an application is made in advance and if it considers there are exceptional circumstances relating to the application.

Schools must judge each application individually considering the specific facts and circumstances and relevant background context behind each request.

A leave of absence is granted entirely at the school's discretion. Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance.

Where a leave of absence is granted, the school will determine the number of days a pupil can be absent from school.

When making an application for Leave of Absence parents are advised to give sufficient information and time to allow the Head teacher the opportunity to consider all the exceptional circumstances and to notify parents of their decision. The school may also request further information on the application and supporting documentation where appropriate.

It is advised that if the resident parent has not received notification or a response regarding the leave of absence application, it is the parents' responsibility to ascertain if the leave is authorised prior to the start of the leave.

The school can only consider Leave of Absence requests which are made by the 'resident' parent ie the parent with whom the child normally resides.

Where applications for leave of absence are made in advance and refused, the child is expected to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an unauthorised absence. Where a leave of absence is requested, but additional days taken either prior to or after the request may be considered as part of the leave of absence.

Leave of Absences which are not made in advance cannot be authorised in line with legislation. This will result in the absence being recorded as 'unauthorised'.

All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service, part of Warwickshire County Council. Penalty Notices are issued in accordance with Warwickshire County Council's Code of Conduct for Penalty Notices and in the first instance, as an alternative to prosecution proceedings.

Leave of Absence taken in the academic year 2025-26

The law relating to Penalty Notices changed with effect from 19 August 2024. Therefore, Penalty Notices issued for Leave of Absence taken from September 2024 will be issued in accordance with the updated legislation.

Penalty Notices are issued to each parent of each absent child, (for example 2 children and 2 parents, means each parent will receive 2 invoices – 4 in total).

First Leave of Absence offence: The Penalty Notice amount of £160 to be paid within 28 days, this is reduced to £80 each child if paid within 21 days.

Second Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): The amount of £160 paid within 28 days. No reduced amount.

Payment plans will not be offered and/or payments received outside of the 28 day period will not be accepted. Where a penalty notice expires unpaid the matter will be referred to Warwickshire County Council's Legal Services to consider criminal prosecution.

Third Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): A penalty notices will be not be issued and the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal prosecution proceedings under S444 of Education Act 1996.

Your child's progress academically as well as socially is our shared priority.

What Parents & Educators Need to Know about YOUTUBE KIDS

WHAT ARE THE RISKS?

As its name suggests, YouTube Kids is a child-friendly version of Google's online video-sharing platform. Its colourful user interface is designed with young people in mind, and it offers a curated, family-friendly experience with features like age-based content settings and parental controls.

INAPPROPRIATE CONTENT BYPASSING FILTERS

YouTube Kids is less likely to show inappropriate material than YouTube, but there have been reports of the app showing age-inappropriate content to young viewers. One investigation found that YouTube Kids had shown videos that promote skin bleaching, weight loss, drug culture and firearms to children as young as two, as inappropriate content had bypassed the platform's algorithms and human moderators.

BE WARY OF ADVERTISING

Like Google's regular YouTube app, YouTube Kids features pervasive advertising before a video plays. While these adverts are designed to be family friendly and are subject to a strict review process, it's worth noting that YouTube Kids collects information around children's viewing to inform targeted content and advertisements.

DESIGNED TO BE ADDICTIVE

YouTube Kids is designed to be addictive. The platform's design features, such as the constant stream of new videos and the reward system of points or virtual stickers, can be very engaging and make it difficult for children to switch off. Research has shown that spending too much time using digital services such as YouTube can lead to screen addiction, affecting children's daily routines, studies, and even their social lives.

SETTINGS CAN BE CIRCUMVENTED

YouTube Kids offers built-in parental controls, enabling you to set screen time limits and curate the content children are able to view; however, children are often more tech-savvy than we think. They can easily bypass or tweak these settings if they have access to the associated Google account password, thereby exposing themselves to age-inappropriate and potentially dangerous content.

AI-GENERATED MISINFORMATION

There is also a risk of children accessing videos that contain disinformation and misinformation. A BBC investigation found that some YouTube channels are using artificial intelligence (AI) technology to create misleading "scientific" videos that are recommended to children as educational content. These videos included conspiracy theories and ideas that lack scientific backing.

DATA COLLECTION RISK

While there are limits on the data that YouTube can collect on children under 13, children can still inadvertently give away sensitive information when using YouTube Kids. The platform collects data on children's viewing habits, content searches and location, which YouTube and third-party advertisers can use.

Advice for Parents & Educators

PARENTAL CONTROLS

YouTube Kids offers several settings that allow you to manage what content children can view. For example, you can choose what level of content you want them to access, such as "Preschool" or "Younger". You can also turn off the search function, so that only those videos approved by the YouTube Kids team themselves will appear on a child's recommendations list.

SET TIME LIMITS

The built-in parental controls let you keep a tab on how long children spend watching videos. You can set a timer that limits screen time and disables the YouTube Kids app once a specified length of time has been reached. It's also worth speaking to children about the dangers of spending too much time on YouTube, to ensure they remain focused on other, more important activities.

CHECK WATCH HISTORY

YouTube Kids has made it easy for you to keep an eye on what the children in your care have been watching on the app. By clicking on the "Recommended" icon at the top right of the home screen, you can see which videos they've been viewing, and how much of each. If a child watches YouTube Kids while signed into a Google account, you can check their history through Google's "My Activity" page.

WATCH TOGETHER

It's important that you try to make YouTube Kids a fun and positive experience for children. One way to do this is by introducing watching sessions, where you all gather around and share the most enjoyable videos that you have recently watched. This can be a great way of giving you both new things to talk about and of keeping an eye on what they're watching.

St Mark
Little Lions Baby and Toddler Group

We are pleased to let you know that St Mark's Church will be launching a new baby and toddler group, 'Little Lions'.

Starting on 7th October, the Little Lions group will meet on Tuesday mornings during school term time from 9.45am to 11.15am in St Mark's Church. There will be a café for parents/grandparents/carers with good tea and coffee, fruit and biscuits or pastries, and the children will also have a drink and a healthy snack. There will be quiet spaces for babies, and a play area with toys for toddlers. The last part of the session will include a Bible story for the children, a 'thought for the day' and singing together. The cost will be £1 per family (up to 2 children and an extra 50p for each additional child).
