Head of School's Letter

Dear Parents and Carers,

As we reach the end of the first half-term, I'm sure the children are ready for a well-earned break -it's been a busy few weeks! School finishes today for the half-term holiday, and we return on Monday 3rd November.

This afternoon, our Year One and Two children thoroughly enjoyed their Silent Disco – a huge thank you to Aspire People for generously providing this treat free of charge. Year One also had a wonderful time at their tiger-themed tea party – I've heard their home-made biscuits were especially delicious! Meanwhile, our Reception children were busy making and eating tasty treats too. Their repeating pattern fruit kebabs looked absolutely scrumptious.

It's been lovely to see so many of you at our Parents' Evenings over the past couple of weeks. If you haven't yet had the chance to meet with your child's class teacher, please do get in touch with them directly to arrange a time. It's such an important part of supporting your child's learning journey.

We're looking forward to seeing some of you at our Maths Meeting, led by Mrs Holton, on Wednesday 5th November at 2.30pm. Do come along to find out more about how we teach maths and how you can support your child at home.

Year Two parents and carers should have received a letter about a free trip to Rugby Art Gallery and Museum, which we were lucky enough to win in a competition run by the art gallery. Please note that the trip is happening on the first Wednesday back, and we do need your signed reply slip in order for your child to attend.

If you know of anyone looking for a Reception place for September 2026 or a Pre-School place for January or September 2026, we are currently offering two school tours each week. Please do encourage them to get in touch with the school office to book a place.

Finally, I'd like to extend a heartfelt thank you to all our children, parents and carers, volunteers, staff and governors for your continued support, partnership, positivity and energy this half-term. I hope you all have a restful and enjoyable break.

Warm wishes,

Pam Davey
Head of School

🗑️ Bag2School Collection Tuesday 25th November

Extra Curricular Opportunities

Some opportunities are free to all children. Where an activity is normally parent/carer funded, if your child receives Pupil Premium funding they may be able to access a paid for club free of charge. Please speak to the admin team if you would like to know more. A child's place at any extra-curricular activity may be withdrawn if they are unable to consistently follow our school rules– this is to ensure that the clubs are fun, safe places for our children and staff.

LEAVE OF ABSENCE DURING TERM TIME INFORMATION FOR PARENTS

The Supreme Court has clarified the law on unauthorised leave, including holidays, during term time (Platt v Isle of Wight 2017). The Supreme Court has made clear that attending school 'regularly' means that the children must attend school on every day that they are required to do so. As such, the parents of any child who is absent from school without authorisation for any length of time are likely to be considered as committing an offence under s444 of the Education Act 1996.

The law states a leave of absence may only be granted by a school if an application is made in advance and if it considers there are exceptional circumstances relating to the application.

Schools must judge each application individually considering the specific facts and circumstances and relevant background context behind each request.

A leave of absence is granted entirely at the school's discretion. Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance.

Where a leave of absence is granted, the school will determine the number of days a pupil can be absent from school.

When making an application for Leave of Absence parents are advised to give sufficient information and time to allow the Head teacher the opportunity to consider all the exceptional circumstances and to notify parents of their decision. The school may also request further information on the application and supporting documentation where appropriate.

It is advised that if the resident parent has not received notification or a response regarding the leave of absence application, it is the parents' responsibility to ascertain if the leave is authorised prior to the start of the leave.

The school can only consider Leave of Absence requests which are made by the 'resident' parent ie the parent with whom the child normally resides.

Where applications for leave of absence are made in advance and refused, the child is expected to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an unauthorised absence. Where a leave of absence is requested, but additional days taken either prior to or after the request may be considered as part of the leave of absence.

Leave of Absences which are not made in advance cannot be authorised in line with legislation. This will result in the absence being recorded as 'unauthorised'.

All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service, part of Warwickshire County Council. Penalty Notices are issued in accordance with Warwickshire County Council's Code of Conduct for Penalty Notices and in the first instance, as an alternative to prosecution proceedings.

Leave of Absence taken in the academic year 2025-26

The law relating to Penalty Notices changed with effect from 19 August 2024. Therefore, Penalty Notices issued for Leave of Absence taken from September 2024 will be issued in accordance with the updated legislation.

Penalty Notices are issued to each parent of each absent child, (for example 2 children and 2 parents, means each parent will receive 2 invoices – 4 in total).

First Leave of Absence offence: The Penalty Notice amount of £160 to be paid within 28 days, this is reduced to £80 each child if paid within 21 days.

Second Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): The amount of £160 paid within 28 days. No reduced amount.

Payment plans will not be offered and/or payments received outside of the 28 day period will not be accepted. Where a penalty notice expires unpaid the matter will be referred to Warwickshire County Council's Legal Services to consider criminal prosecution.

Third Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): A penalty notices will be not be issued and the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal prosecution proceedings under S444 of Education Act 1996.

Your child's progress academically as well as socially is our shared priority.

What Parents & Educators Need to Know about YOUTUBE KIDS

WHAT ARE THE RISKS?

As its name suggests, YouTube Kids is a child-friendly version of Google's online video-sharing platform. Its colourful user interface is designed with young people in mind, and it offers a curated, family-friendly experience with features like age-based content settings and parental controls.

INAPPROPRIATE CONTENT BYPASSING FILTERS

YouTube Kids is less likely to show inappropriate material than YouTube, but there have been reports of the app showing age-inappropriate content to young viewers. One investigation found that YouTube Kids had shown videos that promote skin bleaching, weight loss, drug culture and firearms to children as young as two, as inappropriate content had bypassed the platform's algorithms and human moderators.

BE WARY OF ADVERTISING

Like Google's regular YouTube app, YouTube Kids features pervasive advertising before a video plays. While these adverts are designed to be family friendly and are subject to a strict review process, it's worth noting that YouTube Kids collects information around children's viewing to inform targeted content and advertisements.

DESIGNED TO BE ADDICTIVE

YouTube Kids is designed to be addictive. The platform's design features, such as the constant stream of new videos and the reward system of points or virtual stickers, can be very engaging and make it difficult for children to switch off. Research has shown that spending too much time using digital services such as YouTube can lead to screen addiction, affecting children's daily routines, studies, and even their social lives.

SETTINGS CAN BE CIRCUMVENTED

YouTube Kids offers built-in parental controls, enabling you to set screen time limits and curate the content children are able to view; however, children are often more tech-savvy than we think. They can easily bypass or tweak these settings if they have access to the associated Google account password, thereby exposing themselves to age-inappropriate and potentially dangerous content.

AI-GENERATED MISINFORMATION

There is also a risk of children accessing videos that contain disinformation and misinformation. A BBC investigation found that some YouTube channels are using artificial intelligence (AI) technology to create misleading "scientific" videos that are recommended to children as educational content. These videos included conspiracy theories and ideas that lack scientific backing.

DATA COLLECTION RISK

While there are limits on the data that YouTube can collect on children under 13, children can still inadvertently give away sensitive information when using YouTube Kids. The platform collects data on children's viewing habits, content searches and location, which YouTube and third-party advertisers can use.

Advice for Parents & Educators

PARENTAL CONTROLS

YouTube Kids offers several settings that allow you to manage what content children can view. For example, you can choose what level of content you want them to access, such as "Preschool" or "Younger". You can also turn off the search function, so that only those videos approved by the YouTube Kids team themselves will appear on a child's recommendations list.

SET TIME LIMITS

The built-in parental controls let you keep a tab on how long children spend watching videos. You can set a timer that limits screen time and disables the YouTube Kids app once a specified length of time has been reached. It's also worth speaking to children about the dangers of spending too much time on YouTube, to ensure they remain focused on other, more important activities.

CHECK WATCH HISTORY

YouTube Kids has made it easy for you to keep an eye on what the children in your care have been watching on the app. By clicking on the "Recommended" icon at the top right of the home screen, you can see which videos they've been viewing, and how much of each. If a child watches YouTube Kids while signed into a Google account, you can check their history through Google's "My Activity" page.

WATCH TOGETHER

It's important that you try to make YouTube Kids a fun and positive experience for children. One way to do this is by introducing watching sessions, where you all gather around and share the most enjoyable videos that you have recently watched. This can be a great way of giving you both new things to talk about and of keeping an eye on what they're watching.

Mental Health in Schools Team
Tips For Wellness

Thoughtfulness

Being thoughtful is when you consider, or think about, how your actions and words will affect other people's feelings. Taking the time to make ourselves aware of the needs and feelings of others and then taking action to help them is great for our mental health; it helps reduce stress, improve friendships and creates a sense of belonging.

When we think about how others feel and show kindness, it makes us feel good inside and boosts our confidence!

Our tips for Thoughtfulness:

You can be thoughtful through small acts of kindness; it doesn't have to be a grand gesture! Here are some examples below:

- Smile at someone.
- Listen carefully when someone is talking—it shows you care about what they're saying.
- Give someone a nice compliment.
- Help out without being asked, like sharing your things or tidying up.
- Think about how others might feel before you act or say something.
- Hug someone you care about (e.g., parents/carers, family members or a friend).
- Hold the door open for the person behind you.
- Say kind things to others and try to cheer someone up if they're feeling sad.
- Say "thank you" and "please"—small words can make a big difference.
- Tell someone that they are important to you.
