

Half term	Learning Challenge	Subject focus	WoW Event	Key Texts	Key Questions	Key Vocabulary
Autumn 1	How do I feel?	PSED, Art, English	Zones of Regulation display and class charter		What are feelings? How can we manage them? What makes a good friend?	emotion, feelings, calm, regulation, worry, charter
Autumn 1	What happened to the dinosaurs?	History, Science, English	Fossil dig and dinosaur discovery day		What do fossils tell us? Who was Mary Anning? Why did dinosaurs disappear?	fossil, extinct, discovery, palaeontology, herbivore, carnivore, omnivore, predator, prey
Autumn 2	What is life like in the African Savannah?	Geography, Science	African drumming & storytelling workshop		How is life in Kenya different from ours? What animals live in the Savannah?	climate, habitat, Kenya, savannah, compare
Spring 1	How did England change over the 17 th century?	History, English, DT	Fire of London re-enactment and burn test		Why did the fire spread so quickly? How do we know what happened?	London, Samuel Pepys, diary, firebreak, change
Spring 2	Why does England have so many castles?	History, DT, Science	Castle building day with large-scale junk modelling		Why were castles built? What features helped protect them? What were they made from?	moat, drawbridge, turret, knight, defence
Summer 1	Is it too late to save our planet?	Science, Geography, DT	Forest school survival skills session		What do living things need to survive? Could you build a shelter?	survive, shelter, compass, nature, wild, healthy, conditions, navigate
Summer 2	Who stood up and made a difference?	History, English, PSHE	Inspirational people museum showcase		What makes someone inspirational? How can we make a difference?	change, courage, equality, rights, hero, significant, important, historical figure, impact

Learning Challenge	English	Art & Design	Design & Technology	Computing	Geography	History
How do I feel?	Character descriptions, diary writing, letters	Emotion portraits, warm/cool colour exploration	Online safety, painting	How do I feel?		
What happened to the dinosaurs?	Fact files, non-chronological reports	Fossil rubbings, drawing dinosaurs		Coding, algorithms		Mary Anning, timeline of dinosaurs
What is life like in the African Savannah?	Poems, postcards, fact writing	African print patterns		Grouping and sorting	Compare UK/Kenya	
How did England change throughout the 17th Century?	Newspapers, diaries, sequencing	Silhouettes, fire art	Fire engines and structures	Creating animations	Maps of London then/now	1666, Samuel Pepys, fire safety
Why does England have so many castles?	Non-chronological reports, retelling legends	Castle silhouette art	Castle building: levers and sliders	Creating eBooks with castle facts	Locating castles on a UK map	Features of castles, local history, defence
Is it too late to save our planet?	Instructions, recounts, descriptive writing	Natural material collages	Building shelters	Programming journeys	Compass directions, maps, physical and human features	
Who stood up and made a difference?	Biographies, persuasive writing	Portraits of changemakers	Picnic planning (food tech)	Digital posters	Global changemakers	Rosa Parks, Malala, Attenborough

Learning Challenge	Maths	Science	RE	PSHE	PE	Music
How do I feel?	Mastering Number: Place value, subitising, additive reasoning	Animals incl. humans: healthy living	K1.4 Who is Jesus?	Being Me in My World	Fundamentals, team games	Hands, Feet, Heart
What happened to the dinosaurs?	Maths focus: Place Value (within 100), Number Bonds Mastering Number: Bonds to 10/20, partitioning, doubles/near doubles	Living things: dinosaurs & fossils	Special places (church/synagogue)	Being Me in My World	Dance (dinos), ball skills	Ho Ho Ho
What is life like in the African Savannah?	Maths focus: Addition and Subtraction; Shape Mastering Number: Bridging through 10, inverse relationships	Animals: habitats, herbivore/carnivore	K1.5 What is important to different people?	Celebrating Difference	Gymnastics (castle shapes), team games	Nativity songs, Glockenspiel Stage 1
How did England change throughout the 17 th Century?	Maths focus: Money; Multiplication and Division Mastering Number: Multiplicative reasoning, arrays, grouping	Materials and properties	What is important to people?	Healthy Me	Team games, ball skills	Zootime
Why does England have so many castles?	Maths focus: Length and Height; Mass, Capacity & Temperature Mastering Number: Partitioning, balancing, exploring structure	Materials and properties	Easter story and symbolism	Relationships	Invasion games, gymnastics	Friendship Song
Is it too late to save our planet?	Maths focus: Fractions; Time Mastering Number: Place value, comparison, scaling and grouping	Plants and growth	Creation stories across faiths	Changing Me	Athletics, orienteering	Reflect, Rewind, Replay
Who stood up and made a difference?	Maths focus: Statistics; Position and Direction; Consolidation Mastering Number: Equivalence, reasoning, mastery review	Scientific enquiry projects	K1.6 Coventry Blitz and faith in action	Transition and aspirations	Striking/fielding, athletics	Your Imagination
