

Year Two - SHARED LEARNING

Autumn 2

Can you make an animal mask?
Think about the animals that live in the African Savannah.
What colours will you use?

Can you read some stories about African animals?

Maybe you could visit the library to find a book all about your favourite African animal.

Can you find the continent of Africa on the map? Create your own map of Africa with the countries labelled!

Number bonds to 100

Practice your number bonds to 100.

Purple mash has this fun game:

<https://www.topmarks.co.uk/Flash.aspx?f=HigherAndLower>

What is life like in the African Savannah?

Research the Maasai people

Can you find out all that you can about the Maasai people? You could look at: where they live, traditional food and clothing etc.

Make a Christmas decoration for our class Christmas tree!

Compare and Contrast

Can you write a comparison between where we live and the African Savannah? You could look at: weather and seasons, types of homes, animals and plants, daily life etc.

Dough disco in the jungle!

Have a go at this fun dough disco with some Play-Doh.

YouTube → 'dough disco down in the jungle'

African Art

Create a collage inspired by African landscapes
Can you use different textures and patterns?

Practice your 2, 5 and 10 times tables with this fun game:

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Animal Fact File

Choose an animal, which lives in the African Savannah and research it to create a poster!
