

Christmas Fayre - THANK YOU !

A massive thank you to everyone who came along to the Christmas Fayre today - what festive fun we had! 😄 Photos coming soon... once we've recovered from the glitter.

As I've confessed before, this was actually my first Christmas Fayre 😳 and wow... it did NOT disappoint. I'm now 98% powered by mince pies and officially in full Christmas mode. December, I am ready.

Whether you were smashing the snowman game, icing more sweets than cake, pulling your best elf pose in the photo booth, or gift-hunting in Elfridges, we hope you had an absolute blast.

 If you caught that sparkle on camera?

Elf selfies, icing disasters, snowman victories - we'd love to feature them!

Send them to bawnmorefriends@gmail.com or WhatsApp them over!

Christmas Wreath Workshop - Thank you!

We hope you caught the wonderful pictures in last week's FOB Newsletter 

I'm still proud of how well everyone did ! And that mine is still surviving the front door *and* the british weather.

Together we raised **£230** for our wonderful school and kiddos - so thanks again!!

Disco Help Wanted: Dancing Skills Not Required !

First things first - **THANK YOU** to everyone who has already offered their time! ❤️

You lovely lot are the reason these events even happen. ✨

I did have a little chuckle, though... 😄

The **transferable tattoos** are FULL of volunteers.... and face painting = tumbleweed 🌿 *Honestly? I totally get it.*

But let me reassure you :

- ★ No pressure
- ★ No judgement
- ★ No "lifetime membership"
- ★ AND I've bought face painting **CHRISTMAS STENCILS**  ✨

So no artistic talent required & the kids won't miss out.

(Trust me: if I survived with my "cats & bunnies only" skills, you'll be golden.)

And because credit where credit is due

I fancied a little shout-out to the face-painting legends I have come across on my volunteering disco experiences:

- 👏 The dad who turned up and delivered full "WOWZA" skills. 😄
- 👏 The mum who fearlessly took on every Spiderman/Minecraft request (saving my cats & bunnies skillset) 🐱
- 👏 My neighbour five doors down (you know who you are) - Factual face art #Professional 🎨
- 👏 And our very own Emma B (not me!)... fearless, attempts ANY face, ANY request, ANY time 💪

We are genuinely so lucky to have such a down-to-earth, lovely community ... now we just need a few more brave souls to join the fun!
