Are we all born in the same place?

Key REACH Principle: Aspirational

Implementation

Are our homes the same?

We show **care** through learning what we need to do to look after babies and each other.

We show **resilience** by appreciating that we are all lifelong learners.

We show **honesty** through sharing what makes our family and home so special.

We show **co-operation** through contributing to whole class projects.

We show **forgiveness** by thinking about how other people see things.

Understanding the World

- Use all senses in hands on exploration of natural materials.
- Begin to make sense of own life story, and family's history.

We show **respect** by understanding that all families are different.

Expressive Arts and Design

- Play with one or more children.
- Join different materials and explore different textures.
