Head of School's Letter

Dear Parents and Carers,

We have had a very busy and enjoyable week in school.

On Wednesday, the Fire Service visited our Year 1 children to teach them all about what to do in an emergency. The children were exceptionally well behaved, engaged brilliantly, and thoroughly enjoyed the experience.

On Thursday, Claire from Myton Hospice joined us to lead our KS1 assembly. She thanked the children for their wonderful fundraising during the Santa Dash and set them a new challenge- to try and raise even more money for Myton Hospice over the next few weeks by being extra helpful at home. We hope the children will find lots of ways to lend a hand and perhaps earn a few pounds to donate to this fantastic charity.

Today, we were delighted to welcome Year 2 parents into school for our Reading and Phonics sessions. We hope you found the session useful and informative.

Donations

Thank you also to all the parents who have recently donated toys and games for the classrooms. The adults have enjoyed selecting new resources to add to their rooms, and our toy cupboards are now wonderfully well stocked!

We are now looking for water butts, a composting bin and pairs of binoculars! Our School Council has been working hard on our sustainability plan and have identified a need for these items, including the binoculars, for the Great Big Bird Watch. If anyone is able to donate any of these resources, we would be extremely grateful.

Next Week

Parents and carers are warmly invited to join us for our assembly at 9.05am, where we will be sharing some of the work we do in school to support Mental Health Week. The assembly will be led by Mrs Davey. Please note that the children will not be performing on this occasion.

After the assembly, you are very welcome to stay for a cup of tea or coffee and a slice of cake in the hall. Unfortunately, we will not be joined by any external specialists this time, but we hope to welcome them into school later in the year.

Please remember that, although we love seeing everyone socialising on the playground after school, the small play equipment (e.g. hoops, balls and skipping ropes) should not be used at this time. These items often get lost or left out on the playground when families head home.

Warm regards,
Pam Davey
Head of School

Extra Curricular Opportunities

Some extra-curricular opportunities are **free to all children**. Where an activity is normally **parent or carer funded**, children who receive **Pupil Premium funding** may be able to access a paid-for club **free of charge**. Please speak to the **admin team** if you would like further information or to discuss eligibility.

Please note that a child's place at any extra-curricular activity may be **withdrawn** if they are unable to **consistently follow the school rules**. This ensures that all clubs remain **safe, positive and enjoyable** environments for both children and staff.

Some clubs are **run by external providers**. Where this is the case, please ensure that the provider has all of your **current contact details**, as well as **your child's details**.

Finally, please be aware that **some clubs are by invitation only**.

Celebration Assembly

This year, on **Tuesdays** we invite the children to share any certificates, medals or trophies that they have been awarded in the previous week at clubs attended out of school e.g. swimming, gymnastics. Please send these in with your child on a Tuesday morning.

Puffins

This week, we began our winter topic and explored all the different ways we can keep warm during the colder weather. The children had great fun designing their own hats and gloves, using lots of colour and creativity. They also enjoyed making their own pretend hot chocolates as part of their imaginative play. To end the week on a cosy note, we made real hot chocolates, with marshmallows, for everyone to enjoy. It was the perfect treat for a frosty winter afternoon!

Dear Parents

I am pleased to inform you that, due to the huge success of our soccer courses over the last 17 years we are following up the Soccer Coaching programme for the season starting in JANUARY 2026. The course will run for approximately 10 weeks, and the programme is for boys & girls aged between 4 and 13.

About our Course

- The unique practice techniques are specifically designed to work with children of all abilities, ranging from the absolute beginner to the more advanced player.
- The course is run by F.A qualified coaches, who are D.B.S checked, and hold an advanced premier skills qualification, they are currently working with children, enabling them to learn essential soccer techniques, together with a 'fun' element.
- Children will be supervised at all times, although parents are welcome to stay and watch.
- The child's progress will be recorded every week.
- **Professional goals are used in all groups for shooting practice and small sided games.**
- It is an **indoor** course held inside the sports hall, trainers are essential.

Presentation of trophies and awards

- On the final week of the course we hold a presentation, whereby **EACH CHILD WILL RECEIVE A MEDAL AND A CERTIFICATE.**
- Children also have a chance to win many other special individual awards and trophies for various skills, including 'World cup and 'penalty shoot out 'American shootout competitions.
- Parents and friends are most welcome to attend the presentation and watch the children being presented with their awards, as this encourages a fantastic atmosphere.

The cost of the course is £9.00 per week; payment is made every 5 weeks with the first payment of £45.00 due on week 1 and 2nd payment made on week 5. **Please Note:** Places are limited, therefore bookings will be taken on a first come, first served basis.
