♻️ **Pre-loved Uniform - Choose to Reuse!**

Love giving old uniforms a second life and have been wanting to volunteer, but can't make meetings or events? This one's got your name on it. 😊

We've got some *odd-sock*, *cosy-sofa*, *evening-friendly* jobs helping with pre-loved uniforms ... a few bits to wash, fold, bag up and label. Very satisfying. Very flexible. Very "look at me being productive in my pyjamas." 🇬🇧👕🌍

If a little sorting, a little organising, and a big feel-good factor sounds like your vibe, we'd absolutely love to hear from you. ✨

👉 We'd also love your thoughts!

We've put together a super quick 3-question survey to help us make pre-loved uniform work better for everyone [\[Link Here\]](#)

Your answers will really help shape how we run this going forward. Thank you! ✨
