

Bawnmore Community Infant School and Cygnets Pre-School Newsletter

27th March 2026

Dear Parents and Carers,

As we come to the end of a busy term, I want to thank you all for your continued support. Please do take a minute or two to complete our Spring Term Parental Feedback form– it is always really useful to have your feedback. [SpringTerm Parental Feedback Questionnaire – Fill out form](#)

We have enjoyed a number of exciting events this week including various assemblies and a community concert. On Tuesday, our talented Rocksteady musicians took to the stage to perform for their grown-ups and the rest of the school. It was fantastic to hear the progress they have made this term- we are incredibly proud of them all. You should have received a leaflet about how to sign up for lessons if you have a budding Rockstar not yet taking part.

We were delighted to welcome Rev Dan and Elizabeth from St Mark's Church into school on Wednesday to share the Easter story with the children. The children engaged well with the session and learnt all about the Christian story of Easter. Elizabeth told the children all about Messy Good Friday which is happening at St Mark's Church on Friday 3rd April starting at 10am. All are welcome!

Later that afternoon, we hosted a lovely group of older people from Rugby URC for a special afternoon tea and children's concert. The hall was filled with smiles, conversation and music and we had amazing feedback from both the adults and children about how much they ad enjoyed the afternoon. Special thanks to Mrs Stevens and the BJS choir for joining us too. They really inspired some of Year 2s who hope to join the choir next year.

On Thursday, we continued our Easter reflections with Rev and Mrs Maloney, who shared the Easter story in a child-friendly and thoughtful way that even our youngest Cygnets could access. It was also Go Purple Day. Children took part in awareness activities and had the opportunity to make their own purple bracelet in return for a £1 donation. Thank you for supporting this meaningful cause.

As we head into the holidays, I would like to wish every one of our families a happy Easter and a restful, refreshing break. We hope you enjoy some quality time together. The children return to school on Monday 13th April.

Thank you again for a wonderful term. We look forward to welcoming everyone back very soon.
Have a great weekend,
Pam Davey

Do I pay on Vinted?

No - please do NOT pay through Vinted. Use ASK SELLER to reserve only. If you pay using Vinted you pay buyers protection and postage!

What if I can't find what I need?

It may be out of stock or being saved for an event. Get in touch and we'll try to help.

What if I no longer want the item after viewing?

No problem! Just leave unwanted items in the bag and we'll return them to stock. Uncollected items will be removed from reservation the following Monday.

How much is it per item?

All uniform is donation-based. Items are listed as £1 on Vinted purely for technical reasons and to allow the reservation system to work. Families are invited to donate whatever they feel is appropriate when collecting items.

Why did we choose Vinted?

We chose Vinted because it is a well-established and easy-to-use platform for selling preloved clothing online. We considered several options including Facebook Marketplace, eBay and Uniformly, but Vinted works particularly well for school uniform.

It allows families to browse and reserve items easily, does not require social media, and helps us make non-logo uniform items available to more families.

Calendar

Our Calendar is available on our website. You can link the website calendar to your phone– never miss an event again! We do our best to ensure the calendar is updated as it changes and changes are shown in red here.

LEAVE OF ABSENCE DURING TERM TIME

INFORMATION FOR PARENTS

The Supreme Court has clarified the law on unauthorised leave, including holidays, during term time (Platt v Isle of Wright 2017). The Supreme Court has made clear that attending school 'regularly' means that the children must attend school on every day that they are required to do so. As such, the parents of any child who is absent from school without authorisation for any length of time are likely to be considered as committing an offence under s444 of the Education Act 1996.

The law states a leave of absence may only be granted by a school if an application is made in advance and if it considers there are exceptional circumstances relating to the application.

Schools must judge each application individually considering the specific facts and circumstances and relevant background context behind each request.

A leave of absence is granted entirely at the school's discretion. Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance.

Where a leave of absence is granted, the school will determine the number of days a pupil can be absent from school.

When making an application for Leave of Absence parents are advised to give sufficient information and time to allow the Head teacher the opportunity to consider all the exceptional circumstances and to notify parents of their decision. The school may also request further information on the application and supporting documentation where appropriate.

It is advised that if the resident parent has not received notification or a response regarding the leave of absence application, it is the parents' responsibility to ascertain if the leave is authorised prior to the start of the leave.

The school can only consider Leave of Absence requests which are made by the 'resident' parent ie the parent with whom the child normally resides.

Where applications for leave of absence are made in advance and refused, the child is expected to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an unauthorised absence. Where a leave of absence is requested, but additional days taken either prior to or after the request may be considered as part of the leave of absence.

Leave of Absences which are not made in advance cannot be authorised in line with legislation. This will result in the absence being recorded as 'unauthorised'.

All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service, part of Warwickshire County Council. Penalty Notices are issued in accordance with Warwickshire County Council's Code of Conduct for Penalty Notices and in the first instance, as an alternative to prosecution proceedings.

Leave of Absence taken in the academic year 2025-26

The law relating to Penalty Notices changed with effect from 19 August 2024. Therefore, Penalty Notices issued for Leave of Absence taken from September 2024 will be issued in accordance with the updated legislation.

Penalty Notices are issued to each parent of each absent child, (for example 2 children and 2 parents, means each parent will receive 2 invoices – 4 in total).

First Leave of Absence offence: The Penalty Notice amount of £160 to be paid within 28 days, this is reduced to £80 each child if paid within 21 days.

Second Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): The amount of £160 paid within 28 days. No reduced amount.

Payment plans will not be offered and/or payments received outside of the 28 day period will not be accepted. Where a penalty notice expires unpaid the matter will be referred to Warwickshire County Council's Legal Services to consider criminal prosecution.

Third Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): A penalty notices will be not be issued and the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal prosecution proceedings under S444 of Education Act 1996.

Your child's progress academically as well as socially is our shared priority.

Online Safety Top Tips

For parents and carers of 3-7s

This Safer Internet Day, we are starting a conversation about how to use AI technology safely and responsibly. Whilst your 3 to 7 year old may not yet be ready to use the internet independently, use our top tips to start good online habits now that will help keep them safe in the future.

■ Enjoy going online together

Spending time online together with family is an important learning experience for the youngest internet users. Not only will you both enjoy the quality time together, but you can supervise their usage and guide them to make the safest choices.

▲ Talk about their online experiences

Help give your child the words to explain what they're experiencing online by starting conversations about the internet and technology as early as possible. Talking regularly about what they love doing online, as well as any worries they may have, will help establish this habit and mean they're more likely to come to you for help as they get older.

● Make use of settings and controls

Parental controls and other safety settings can help protect your child from online harms, including upsetting or inappropriate content. Think about how your child uses technology, for example if you have a smart TV or a voice assistant at home, and explore specific settings to support your household.

◆ Introduce simple ideas about AI technology

You don't need to be a computing expert to start conversations at home about AI. Explaining that a voice assistant is a computer, not a person, or helping your child to understand that not everything they see online is real, is a good start. Encourage them to ask questions about the technology in their lives, and even if you don't know the answers, you can find them out together.

✱ Make sure they know they can always come to you

The most important thing for your child to know is that you are always there to support them, online and offline. Encourage them to talk to you if anything they experience makes them feel worried or upset, and show them they can trust you to stay calm, listen and help make things better.

Mental Health in Schools Team Tips For Wellness

Bouncing Back

Bouncing back is all about 'having another go' after we are faced with challenges, this is also called **resilience!** There are times when things will not go how we planned, so being resilient will help us keep going and try again. We can all develop our ability to bounce back, so it is important to maintain a growth mindset and practise this skill by trying the following tips:

Our tips for bouncing back:

1. Watch this short video introducing resilience and 'bouncebackability'. Scan the QR code to load the video and other lesson resources:

Young Minds resources

2. Practise **problem solving** as a strategy to overcome practical difficulties and help you bounce back! Follow the steps below, you may want to write the answers down to help you:

1. What is the problem?
2. How does it make you feel?
3. What are the possible solutions?
4. What are the positives and negatives of each solution?
5. Select the best solution and make a plan to try out!

3. Think about a time when you have faced a challenge in the past...how did you overcome it? Would you do anything differently if you came across the same challenge again? You could discuss this with a friend to share ideas.

4. Build your **support network**. Having people that you trust around you through difficult times can help you to bounce back! Try to share how you are feeling with friends, family, teachers and other trusted adults in your life. You can also contact the services below if you struggle talking to people you know:
