Newsletter

1st May 2026

Dear Parents and Carers,

Thank you so much to all of you who were able to join us this afternoon for our Interactive Topic Session. It was a real pleasure to welcome so many families into school and to see the children so proudly sharing their learning. Year 2 children thoroughly enjoyed working alongside their adults to design and make catapults, testing their ideas and problem-solving skills with great enthusiasm. Year 1 took us on a journey around the UK, exploring famous landmarks and map work, confidently using geographical language and showing fantastic curiosity about the world around them. In Reception, the children loved getting their hands dirty while planting sunflower seeds, talking knowledgeably about what plants need to grow and eagerly looking forward to seeing them shoot up over the coming weeks! Events like today capture what learning at Bawnmore is all about, curiosity, collaboration and a strong partnership with our families. Thank you for your time, encouragement and continued support.

Family Fun Day – Saturday 9th May, 12:00–3:00pm

This is not one to miss!

We are counting down to our Family Fun Day, and it promises to be a fantastic afternoon for the whole community. There will be something for everyone, including entertainment, fun activities, face painting, food and drink, and plenty of opportunities to relax and enjoy time together.

Whether you pop in for an hour or stay for the whole afternoon, we would love to see you there. Bring friends, grandparents and picnic blankets and help us make it a truly memorable day for our children. Your support makes a real difference, and events like this are always a highlight of our school year.

Mental Health Awareness Week – 11th–15th May

In 2 weeks time we will be marking Mental Health Awareness Week, with a range of carefully planned activities supporting children's emotional wellbeing, resilience and self-confidence. These experiences are a key part of our commitment to developing happy, healthy learners. In order to help us fund some of these activities, we do ask for a £2 contribution, please see MCAS for more information.

As part of this week, we are excited to celebrate:

Dare to Be Different Day – Thursday 14th May

Children are invited to come to school in non-uniform and express their individuality in fun and positive ways. This might include bright colours, creative hairstyles, face paint or anything that helps them feel confident and proud to be themselves. A suggested donation of £1 will support the work of FOB.

Thank you, as always, for being such a supportive and enthusiastic school community. We are very proud of our children and grateful for the strong partnership we share with you.

Have a great weekend,
Pam Davey
Head of School

Class Awards

Assembly Award

Congratulations to 2K who have been chosen as our Assembly Champions this week.

Attendance Award

Congratulations to 1H, our Attendance Champions this week, with an impressive 99.3% attendance! Our whole school attendance was 96.3%. An amazing result– well done everybody!

Lunchtime Award

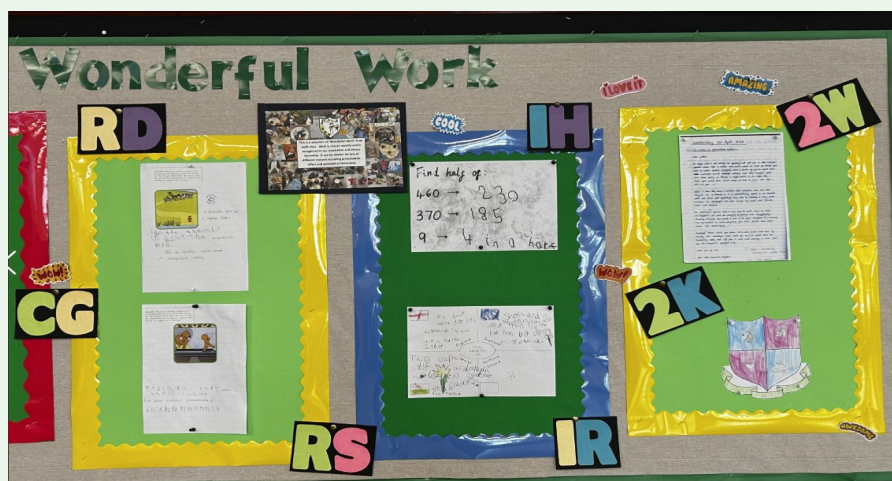

Congratulations to RD who have been chosen as our Lunchtime Winners this week.

Puffins

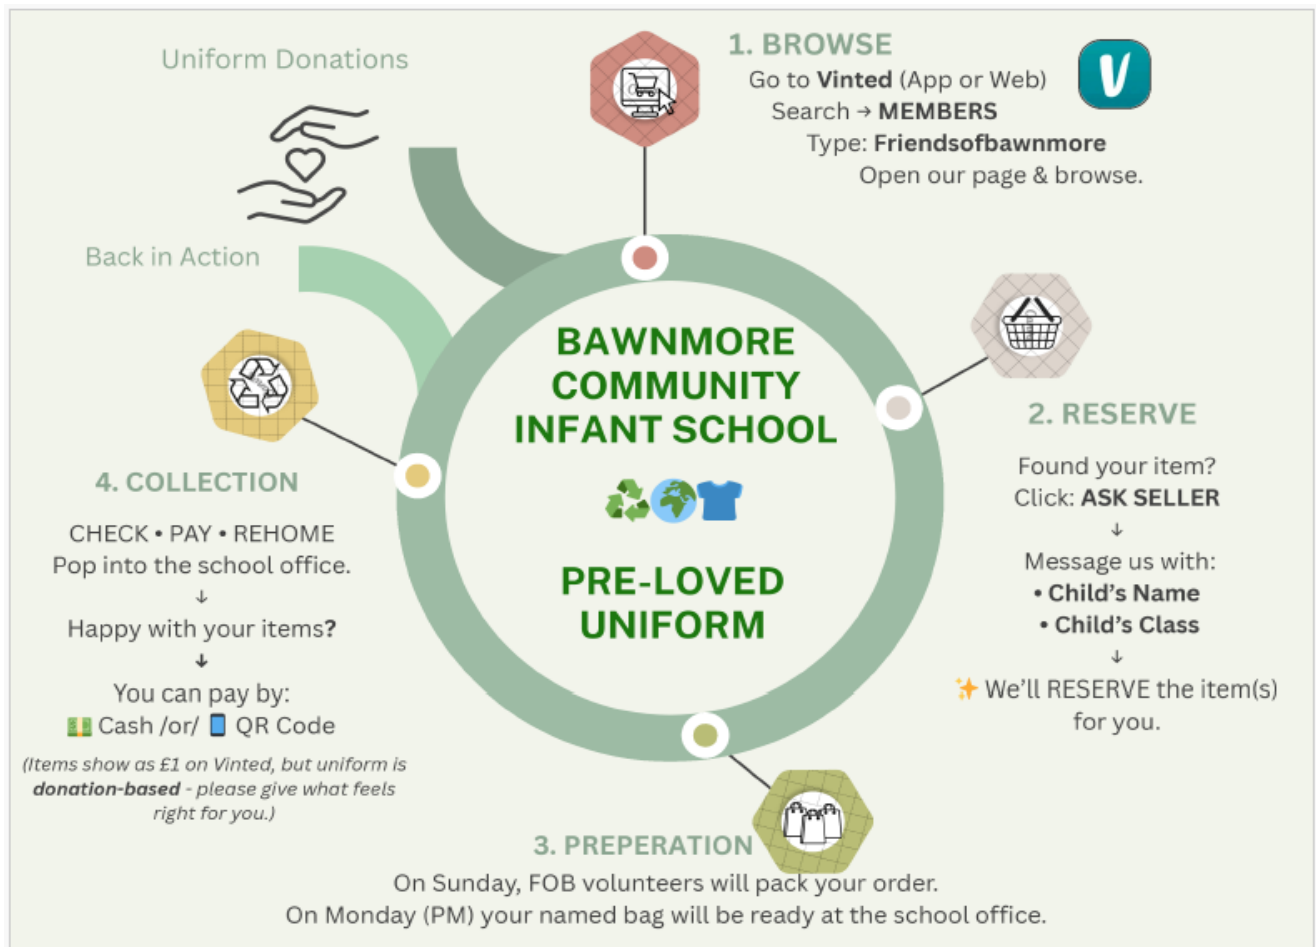

This week in Puffins, we've been exploring the wonderful world of springtime insects. The children have enjoyed bringing their ideas to life by making 3D ladybirds, bright butterfly suncatchers to decorate our windows, and buzzy bees with their own little hives. We rounded off the week with a treat that everyone loved, creating our own bumblebee cupcakes, the perfect sweet ending to our spring adventures.

Do I pay on Vinted?

No - please do NOT pay through Vinted. Use ASK SELLER to reserve only. If you pay using Vinted you pay buyers protection and postage!

What if I can't find what I need?

It may be out of stock or being saved for an event. Get in touch and we'll try to help.

What if I no longer want the item after viewing?

No problem! Just leave unwanted items in the bag and we'll return them to stock. Uncollected items will be removed from reservation the following Monday.

How much is it per item?

All uniform is donation-based. Items are listed as £1 on Vinted purely for technical reasons and to allow the reservation system to work. Families are invited to donate whatever they feel is appropriate when collecting items.

Why did we choose Vinted?

We chose Vinted because it is a well-established and easy-to-use platform for selling preloved clothing online. We considered several options including Facebook Marketplace, eBay and Uniformly, but Vinted works particularly well for school uniform.

It allows families to browse and reserve items easily, does not require social media, and helps us make non-logo uniform items available to more families.

FOB Family Fun Day– Saturday 9th May

Hello all! The weather is being very kind to us, we are certainly feeling more ready for our Family Day for it! We have something to offer all, so do bring along family members old and young, energetic and relaxed!

Please take a look at the volunteer list, there are many different duties, backstage and in the thick of it! We hope it will be a collective effort and know that if so, we can all reap the rewards -a great and memorable day!

Welcome clean teddy donations! Please drop into school from 5th May, where they will be cared for until being rehomed by their lucky winners!

Cake donations - drop into school on 8th or 9th May please, anything and everything welcome, just no nuts please!

LEAVE OF ABSENCE DURING TERM TIME

INFORMATION FOR PARENTS

The Supreme Court has clarified the law on unauthorised leave, including holidays, during term time (Platt v Isle of Wright 2017). The Supreme Court has made clear that attending school 'regularly' means that the children must attend school on every day that they are required to do so. As such, the parents of any child who is absent from school without authorisation for any length of time are likely to be considered as committing an offence under s444 of the Education Act 1996.

The law states a leave of absence may only be granted by a school if an application is made in advance and if it considers there are exceptional circumstances relating to the application.

Schools must judge each application individually considering the specific facts and circumstances and relevant background context behind each request.

A leave of absence is granted entirely at the school's discretion. Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance.

Where a leave of absence is granted, the school will determine the number of days a pupil can be absent from school.

When making an application for Leave of Absence parents are advised to give sufficient information and time to allow the Head teacher the opportunity to consider all the exceptional circumstances and to notify parents of their decision. The school may also request further information on the application and supporting documentation where appropriate.

It is advised that if the resident parent has not received notification or a response regarding the leave of absence application, it is the parents' responsibility to ascertain if the leave is authorised prior to the start of the leave.

The school can only consider Leave of Absence requests which are made by the 'resident' parent ie the parent with whom the child normally resides.

Where applications for leave of absence are made in advance and refused, the child is expected to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an unauthorised absence. Where a leave of absence is requested, but additional days taken either prior to or after the request may be considered as part of the leave of absence.

Leave of Absences which are not made in advance cannot be authorised in line with legislation. This will result in the absence being recorded as 'unauthorised'.

All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service, part of Warwickshire County Council. Penalty Notices are issued in accordance with Warwickshire County Council's Code of Conduct for Penalty Notices and in the first instance, as an alternative to prosecution proceedings.

Leave of Absence taken in the academic year 2025-26

The law relating to Penalty Notices changed with effect from 19 August 2024. Therefore, Penalty Notices issued for Leave of Absence taken from September 2024 will be issued in accordance with the updated legislation.

Penalty Notices are issued to each parent of each absent child, (for example 2 children and 2 parents, means each parent will receive 2 invoices – 4 in total).

First Leave of Absence offence: The Penalty Notice amount of £160 to be paid within 28 days, this is reduced to £80 each child if paid within 21 days.

Second Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): The amount of £160 paid within 28 days. No reduced amount.

Payment plans will not be offered and/or payments received outside of the 28 day period will not be accepted. Where a penalty notice expires unpaid the matter will be referred to Warwickshire County Council's Legal Services to consider criminal prosecution.

Third Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): A penalty notices will be not be issued and the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal prosecution proceedings under S444 of Education Act 1996.

Your child's progress academically as well as socially is our shared priority.

Online Safety Top Tips

For parents and carers of 3-7s

This Safer Internet Day, we are starting a conversation about how to use AI technology safely and responsibly. Whilst your 3 to 7 year old may not yet be ready to use the internet independently, use our top tips to start good online habits now that will help keep them safe in the future.

■ Enjoy going online together

Spending time online together with family is an important learning experience for the youngest internet users. Not only will you both enjoy the quality time together, but you can supervise their usage and guide them to make the safest choices.

▲ Talk about their online experiences

Help give your child the words to explain what they're experiencing online by starting conversations about the internet and technology as early as possible. Talking regularly about what they love doing online, as well as any worries they may have, will help establish this habit and mean they're more likely to come to you for help as they get older.

● Make use of settings and controls

Parental controls and other safety settings can help protect your child from online harms, including upsetting or inappropriate content. Think about how your child uses technology, for example if you have a smart TV or a voice assistant at home, and explore specific settings to support your household.

◆ Introduce simple ideas about AI technology

You don't need to be a computing expert to start conversations at home about AI. Explaining that a voice assistant is a computer, not a person, or helping your child to understand that not everything they see online is real, is a good start. Encourage them to ask questions about the technology in their lives, and even if you don't know the answers, you can find them out together.

✱ Make sure they know they can always come to you

The most important thing for your child to know is that you are always there to support them, online and offline. Encourage them to talk to you if anything they experience makes them feel worried or upset, and show them they can trust you to stay calm, listen and help make things better.
