

# SumUp Guide

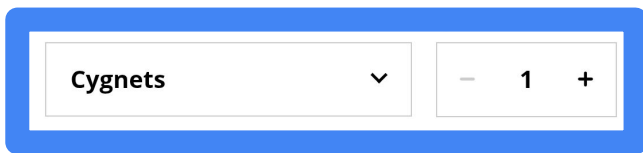

Visit the store at <https://friends-of-bawnmore.sumupstore.com/>

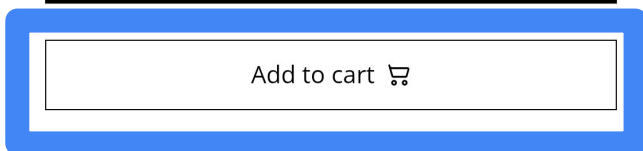

Select the Father's Day icon

## Father's Day Shop

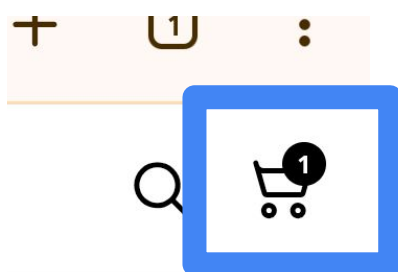

£2.50

Select your child's class from the drop down list and number of gifts needed

Select ADD TO CART

Click on the basket in the top right

Day Shop

The image shows a mobile checkout interface. At the top, there is a section titled "Message for the merchant" with a text input field containing "Child's name" and a character count of "287 characters remaining". Below this is a summary table:

Subtotal	£2.50
Shipping	will be calculated in checkout
<b>Total</b>	<b>£2.50</b>
incl. £0.00 VAT	

At the bottom of the form is a large black button with the text "Checkout". Blue rectangular boxes highlight the "Message for the merchant" section and the "Checkout" button.

Expand the “Message for the Merchant” box and type in your child’s full name

Select Checkout and continue process to complete payment

# Frequently Asked Questions

**Why are you changing how to place an order?** By having one site to place the order and make payment we are hoping to make the process easier for everybody. You don't have to remember to do the BACS payment or drop cash into the office, and FOB volunteers don't have to reconcile a list from a form to payments against FOBs bank account, schools bank account and cash payments

**What if I still want to pay cash?** If you are unable to complete the transaction online please contact us on [bawnmorefriends@gmail.com](mailto:bawnmorefriends@gmail.com) and we can ensure your order is added to the list so your child doesn't miss out. Cash can then be given in at the school office.

**Will my child still get to choose a gift?** Yes, if you “order a gift” you will be adding their name to the list to come to the lunchtime shop.

**What if I have 2 children who attend the school?** Please complete the Sumup process twice so that we have a clear name for each order.
