

Bawnmore Community Infant School and Cygnets Pre-School Newsletter

5th June 2026

Dear Parents and Carers,

I hope you had a lovely half-term break– we were so lucky for the weather! What a shame it hasn't continued this week.

Sponsored Walk Success!

Thank you so much for your wonderful support of our Sponsored Walk– we have now raised £1260 thanks to your generosity and amazing walking skills!

Year One Canopy

Thanks to a huge grant of £18,000 from Cummins, we now have the framework for a canopy over the Year One patio area. The cover for this will be installed at the end of next week and then we'll be able to get it set up ready for the children to enjoy. A big thanks to Mrs Brock for organising and overseeing the work and to Laura Spencer for securing the grant for us.

September Updates

As we look ahead to September, we would like to share some important updates for families.

School Day Timing Changes (from September 2026)

Following national guidance around the length of the school week, we are making a small adjustment to the school day.

From September:

Start time: 8:50am (Doors will open at 8.40am. All pupils must be in school by 8.50am when the doors close)

Finish time: 3:20pm

This will bring our weekly total to 32.5 hours. This represents a slight change to both the start and end of the day and ensures that we are in line with national expectations for all pupils. If you would like to share any comments or feedback, please contact Mr Newton via the school office at: admin2423@welearn365.com

Car Park Arrangements

Due to several recent incidents, we will be making a change to improve safety for all members of our community. In line with the other BCF schools, from September, the school car park will no longer be open to parents at any time, with the exception of Blue Badge holders.

We appreciate your understanding that this decision has been made to prioritise the safety of our children, families and staff.

Uniform Expectations

We are also making some small clarifications to our uniform expectations to ensure consistency and practicality.

All days (PE and non-PE): A bottle green hoodie, cardigan or sweatshirt worn with a white polo shirt. Branded uniform is available, but not required. Supermarket options are often just as durable and much more affordable.

PE days: black or grey leggings, shorts, skorts or joggers

Non-PE days: black or grey trousers, skirts, shorts or pinafores

Footwear:

Trainers can be worn every day but must be black or white, ideally with Velcro fastenings. Black school shoes remain an option for non-PE days (again, velcro preferred). Other colours or styles are not permitted

We hope these updates help to simplify uniform expectations while keeping children comfortable, smart and ready to learn.

Thank you, as always, for your continued support.

FAQs ?

Do I pay on Vinted?

No - please do NOT pay through Vinted. Use ASK SELLER to reserve only. If you pay using Vinted you pay buyers protection and postage!

What if I can't find what I need?

It may be out of stock or being saved for an event. Get in touch and we'll try to help.

What if I no longer want the item after viewing?

No problem! Just leave unwanted items in the bag and we'll return them to stock. Uncollected items will be removed from reservation the following Monday.

How much is it per item?

All uniform is donation-based. Items are listed as £1 on Vinted purely for technical reasons and to allow the reservation system to work. Families are invited to donate whatever they feel is appropriate when collecting items.

Why did we choose Vinted?

We chose Vinted because it is a well-established and easy-to-use platform for selling preloved clothing online. We considered several options including Facebook Marketplace, eBay and Uniformly, but Vinted works particularly well for school uniform.

It allows families to browse and reserve items easily, does not require social media, and helps us make non-logo uniform items available to more families.

LEAVE OF ABSENCE DURING TERM TIME

INFORMATION FOR PARENTS

The Supreme Court has clarified the law on unauthorised leave, including holidays, during term time (Platt v Isle of Wright 2017). The Supreme Court has made clear that attending school 'regularly' means that the children must attend school on every day that they are required to do so. As such, the parents of any child who is absent from school without authorisation for any length of time are likely to be considered as committing an offence under s444 of the Education Act 1996.

The law states a leave of absence may only be granted by a school if an application is made in advance and if it considers there are exceptional circumstances relating to the application.

Schools must judge each application individually considering the specific facts and circumstances and relevant background context behind each request.

A leave of absence is granted entirely at the school's discretion. Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance.

Where a leave of absence is granted, the school will determine the number of days a pupil can be absent from school.

When making an application for Leave of Absence parents are advised to give sufficient information and time to allow the Head teacher the opportunity to consider all the exceptional circumstances and to notify parents of their decision. The school may also request further information on the application and supporting documentation where appropriate.

It is advised that if the resident parent has not received notification or a response regarding the leave of absence application, it is the parents' responsibility to ascertain if the leave is authorised prior to the start of the leave.

The school can only consider Leave of Absence requests which are made by the 'resident' parent ie the parent with whom the child normally resides.

Where applications for leave of absence are made in advance and refused, the child is expected to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an unauthorised absence. Where a leave of absence is requested, but additional days taken either prior to or after the request may be considered as part of the leave of absence.

Leave of Absences which are not made in advance cannot be authorised in line with legislation. This will result in the absence being recorded as 'unauthorised'.

All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service, part of Warwickshire County Council. Penalty Notices are issued in accordance with Warwickshire County Council's Code of Conduct for Penalty Notices and in the first instance, as an alternative to prosecution proceedings.

Leave of Absence taken in the academic year 2025-26

The law relating to Penalty Notices changed with effect from 19 August 2024. Therefore, Penalty Notices issued for Leave of Absence taken from September 2024 will be issued in accordance with the updated legislation.

Penalty Notices are issued to each parent of each absent child, (for example 2 children and 2 parents, means each parent will receive 2 invoices – 4 in total).

First Leave of Absence offence: The Penalty Notice amount of £160 to be paid within 28 days, this is reduced to £80 each child if paid within 21 days.

Second Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): The amount of £160 paid within 28 days. No reduced amount.

Payment plans will not be offered and/or payments received outside of the 28 day period will not be accepted. Where a penalty notice expires unpaid the matter will be referred to Warwickshire County Council's Legal Services to consider criminal prosecution.

Third Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): A penalty notices will be not be issued and the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal prosecution proceedings under S444 of Education Act 1996.

Your child's progress academically as well as socially is our shared priority.

For parents and carers of 3-7s

This Safer Internet Day, we are starting a conversation about how to use AI technology safely and responsibly. Whilst your 3 to 7 year old may not yet be ready to use the internet independently, use our top tips to start good online habits now that will help keep them safe in the future.

Enjoy going online together

Spending time online together with family is an important learning experience for the youngest internet users. Not only will you both enjoy the quality time together, but you can supervise their usage and guide them to make the safest choices.

Talk about their online experiences

Help give your child the words to explain what they're experiencing online by starting conversations about the internet and technology as early as possible. Talking regularly about what they love doing online, as well as any worries they may have, will help establish this habit and mean they're more likely to come to you for help as they get older.

Make use of settings and controls

Parental controls and other safety settings can help protect your child from online harms, including upsetting or inappropriate content. Think about how your child uses technology, for example if you have a smart TV or a voice assistant at home, and explore specific settings to support your household.

Introduce simple ideas about AI technology

You don't need to be a computing expert to start conversations at home about AI. Explaining that a voice assistant is a computer, not a person, or helping your child to understand that not everything they see online is real, is a good start. Encourage them to ask questions about the technology in their lives, and even if you don't know the answers, you can find them out together.

Make sure they know they can always come to you

The most important thing for your child to know is that you are always there to support them, online and offline. Encourage them to talk to you if anything they experience makes them feel worried or upset, and show them they can trust you to stay calm, listen and help make things better.
