

Bawnmore Community Infant School and Cygnets Pre-School Newsletter

3rd July 2026

Dear Parents and Carers,

As we head into the final weeks of term, it has been a relief to enjoy slightly cooler temperatures over the last few days. However, the warmer weather is set to return next week, so please continue to help us keep children safe and comfortable by ensuring they come to school with:

A named sun hat

Sunscreen applied before school

A named water bottle

Children may also wear their PE kit all week if they would find this more comfortable during the hot weather.

We are looking forward to another busy and exciting week ahead. On Tuesday morning, we have our Rocksteady Concert, which is always a fantastic opportunity for our young musicians to showcase their talents.

On Wednesday, children will take part in our annual Transition Day, spending time with their new class rooms in preparation for September. Don't forget that Cygnets and Puffins are partially closed on these days. Puffins is only open to current Reception and Year One pupils and Cygnets will only be open for transition visits.

You should have received information about your child's new class allocation today if your child is currently in Reception or Year 1, and earlier this week if your child is currently in Year 2. A huge amount of thought, care and professional discussion goes into creating class groupings. Teachers carefully consider children's learning needs, friendships, social dynamics, confidence levels and many other factors to ensure the best possible learning environment for everyone. We know that transitions can sometimes feel daunting, but we are always impressed by the resilience and positivity shown by our children as they embrace new opportunities and friendships.

As outlined in the letter, whilst our current Year 1 children moving into Year 2 will spend time in their new classroom on Wednesday, they will meet their new teachers the following week. More details will be sent out to these families as soon as we have them.

Our Year 2 pupils will be visiting Bilton Junior School on Thursday afternoon to watch Alice in Wonderland, our re-scheduled trip. Fingers crossed the weather is kind to us and not quite too hot!

FOB Discos – Thursday

A reminder that our FOB Discos take place after school on Thursday, and as a result, Thursday will be a non-uniform day. Children are welcome to come to school wearing their disco clothes if they wish.

Reception and Year 1 Disco

Straight from school to the disco

Finish at 4:30pm

Children do not need an adult to accompany them

Children attending Puffins afterwards will be collected directly from the disco by Puffins staff

Year 2 Leavers' Disco

4:45pm – 6:00pm

If your child attends Puffins and is booked to go to the Year 2 disco, please ensure staff are aware that they will need to be taken through to the event.

FOB Summer Event – Saturday 11th July

Don't forget our fantastic FOB Summer Event on Saturday 11th July from 5:00pm–8:00pm. There will be a bar, BBQ, live band and bouncy castle, making it a wonderful opportunity for families to come together and celebrate the end of another successful school year.

Adults: £5

Children aged 12 and under: Free

Please see the FOB newsletter for full details. We would love to see as many families there as possible and hope you will come along and support this fantastic community event. The forecast is looking promising, and we're hoping for a beautiful summer evening!

Have a wonderful weekend,
Pam Davey

FAQs ?

Do I pay on Vinted?

No - please do NOT pay through Vinted. Use ASK SELLER to reserve only. If you pay using Vinted you pay buyers protection and postage!

What if I can't find what I need?

It may be out of stock or being saved for an event. Get in touch and we'll try to help.

What if I no longer want the item after viewing?

No problem! Just leave unwanted items in the bag and we'll return them to stock. Uncollected items will be removed from reservation the following Monday.

How much is it per item?

All uniform is donation-based. Items are listed as £1 on Vinted purely for technical reasons and to allow the reservation system to work. Families are invited to donate whatever they feel is appropriate when collecting items.

Why did we choose Vinted?

We chose Vinted because it is a well-established and easy-to-use platform for selling preloved clothing online. We considered several options including Facebook Marketplace, eBay and Uniformly, but Vinted works particularly well for school uniform.

It allows families to browse and reserve items easily, does not require social media, and helps us make non-logo uniform items available to more families.

Puffins

Over the past few weeks, Puffins have been talking with excitement all about their summertime adventures that are fast approaching and lots of them have talked about being by the sea. With all the excitement we decided to have a beach theme week. The children painted seaside canvases filled with shimmering waves and golden sands, they crafted 3D ice creams that looked as sweet as any treat sold by the seaside. To finish our seaside journey, we opened the doors to the Puffins Ice Cream Shop it was very exciting and lots of fun.

LEAVE OF ABSENCE DURING TERM TIME

INFORMATION FOR PARENTS

The Supreme Court has clarified the law on unauthorised leave, including holidays, during term time (Platt v Isle of Wright 2017). The Supreme Court has made clear that attending school 'regularly' means that the children must attend school on every day that they are required to do so. As such, the parents of any child who is absent from school without authorisation for any length of time are likely to be considered as committing an offence under s444 of the Education Act 1996.

The law states a leave of absence may only be granted by a school if an application is made in advance and if it considers there are exceptional circumstances relating to the application.

Schools must judge each application individually considering the specific facts and circumstances and relevant background context behind each request.

A leave of absence is granted entirely at the school's discretion. Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance.

Where a leave of absence is granted, the school will determine the number of days a pupil can be absent from school.

When making an application for Leave of Absence parents are advised to give sufficient information and time to allow the Head teacher the opportunity to consider all the exceptional circumstances and to notify parents of their decision. The school may also request further information on the application and supporting documentation where appropriate.

It is advised that if the resident parent has not received notification or a response regarding the leave of absence application, it is the parents' responsibility to ascertain if the leave is authorised prior to the start of the leave.

The school can only consider Leave of Absence requests which are made by the 'resident' parent ie the parent with whom the child normally resides.

Where applications for leave of absence are made in advance and refused, the child is expected to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an unauthorised absence. Where a leave of absence is requested, but additional days taken either prior to or after the request may be considered as part of the leave of absence.

Leave of Absences which are not made in advance cannot be authorised in line with legislation. This will result in the absence being recorded as 'unauthorised'.

All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service, part of Warwickshire County Council. Penalty Notices are issued in accordance with Warwickshire County Council's Code of Conduct for Penalty Notices and in the first instance, as an alternative to prosecution proceedings.

Leave of Absence taken in the academic year 2025-26

The law relating to Penalty Notices changed with effect from 19 August 2024. Therefore, Penalty Notices issued for Leave of Absence taken from September 2024 will be issued in accordance with the updated legislation.

Penalty Notices are issued to each parent of each absent child, (for example 2 children and 2 parents, means each parent will receive 2 invoices – 4 in total).

First Leave of Absence offence: The Penalty Notice amount of £160 to be paid within 28 days, this is reduced to £80 each child if paid within 21 days.

Second Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): The amount of £160 paid within 28 days. No reduced amount.

Payment plans will not be offered and/or payments received outside of the 28 day period will not be accepted. Where a penalty notice expires unpaid the matter will be referred to Warwickshire County Council's Legal Services to consider criminal prosecution.

Third Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): A penalty notices will be not be issued and the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal prosecution proceedings under S444 of Education Act 1996.

Your child's progress academically as well as socially is our shared priority.

For parents and carers of 3-7s

This Safer Internet Day, we are starting a conversation about how to use AI technology safely and responsibly. Whilst your 3 to 7 year old may not yet be ready to use the internet independently, use our top tips to start good online habits now that will help keep them safe in the future.

Enjoy going online together

Spending time online together with family is an important learning experience for the youngest internet users. Not only will you both enjoy the quality time together, but you can supervise their usage and guide them to make the safest choices.

Talk about their online experiences

Help give your child the words to explain what they're experiencing online by starting conversations about the internet and technology as early as possible. Talking regularly about what they love doing online, as well as any worries they may have, will help establish this habit and mean they're more likely to come to you for help as they get older.

Make use of settings and controls

Parental controls and other safety settings can help protect your child from online harms, including upsetting or inappropriate content. Think about how your child uses technology, for example if you have a smart TV or a voice assistant at home, and explore specific settings to support your household.

Introduce simple ideas about AI technology

You don't need to be a computing expert to start conversations at home about AI. Explaining that a voice assistant is a computer, not a person, or helping your child to understand that not everything they see online is real, is a good start. Encourage them to ask questions about the technology in their lives, and even if you don't know the answers, you can find them out together.

Make sure they know they can always come to you

The most important thing for your child to know is that you are always there to support them, online and offline. Encourage them to talk to you if anything they experience makes them feel worried or upset, and show them they can trust you to stay calm, listen and help make things better.

Sleep

Our bodies need sleep and rest to help us function every day. When we are sleeping, it gives our brain and body time to repair and regenerate, re-energise and improve our motivation. We also need sleep to be able to process information, problem solve, learn new things and concentrate (you might notice you find it particularly difficult to focus at school after a bad night's sleep!) Sleep also benefits our mental wellbeing, by helping us to regulate our emotions and mood.

It is important to find time for our brain to completely 'switch off' and rest, to take some time out of our busy day to stop, take a break and do something that promotes our wellbeing!

Our tips for improving sleep:

1. **Maintain a regular sleep schedule** – this includes going to bed around the same time every night, as well as waking up at a similar time every morning (even on weekends!) Sleeping in later than normal can disrupt the body's circadian rhythm, which can lead to more tiredness.
2. **Create a calming environment** - dim the lights an hour before bed. Keep the room dark, if possible, try using an eye mask or black out blinds. A cool bedroom and slight drop in body temperature can help us to go to sleep.
3. **Reduce electronics** – using electrical devices before bedtime is one of the main reasons we have sleep difficulties. The light exposure on the screens can trick our brain into thinking it is still daytime, which stops our body from being able to wind down and feel tired! Turn devices on night mode or leave outside your bedroom to limit temptation.
4. **Minimise daytime naps** – napping during the day can make it harder to fall asleep at night, they also break up sleep (which means lower quality sleep and fewer benefits).
5. **Complete homework after school** – getting stuck into homework tasks before bed can delay tiredness, as our brains are busy trying to concentrate! Try to do activities that relax you before bed, to help you switch off from schoolwork.
6. **Spend time relaxing** – you may want to have a shower or run a warm bath, listen to calming music, read a book, journal or keep a diary from the day, stretch, meditate, or spend time with a pet.
7. **Scan the QR code for more helpful information and sleep tips!**

In Coventry and Warwickshire, for any urgent mental health concerns, contact the RISE Crisis Helpline available 24/7, by calling NHS 111. Alternatively, call 999 or visit A&E in an emergency, for example if medical attention is required.

MHST are available to support you and your school throughout the school year including term time and school holidays.
